## HP Mini 210-2201sa PC

Windows®. Life without Walls™. HP recommends Windows 7.

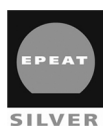

- Ultra-compact and lightweight notebook you can take with you everywhere.**  
 Grab your notebook and go! Slim, lightweight and elegant, this comes in four striking colours, with matching accessories. The ideal companion for people with an active lifestyle, it proves that great things come in small packages.
- Anytime, anywhere: personal all-day computing at your service.**  
 Get quick access to the Internet, your photos, music and more in seconds— anytime, anywhere. You can browse the Internet, access music and photos, as well as create, edit and update files while you're on the go, and then easily sync to your main PC.
- Stay connected all day, without running out of power – and on a single charge.**  
 When you're travelling, you need to be able to stay connected all day long, without running out of power. This mini notebook can do much more on a single charge. With HP's long battery life of up to 10.5 hrs, this is low power with great performance.
- Enjoy an incredible audio experience with Dolby Advanced Audio.**  
 The HP Mini 210-2200 Notebook PC series comes with Genuine Windows® 7 Starter, an BrightView Infinity display of 25.6 cm (10.1"). Enjoy the audio experience with Dolby Advanced Audio.
- Don't compromise on your typing experience.**  
 This slim, lightweight notebook has a keyboard that's practically full size. So typing is comfortable and easy – and you have a clickpad with gesture support, too, for simple navigation while you're on the go.

**Available in four striking colours, this notebook is for people with an active lifestyle. And with the inline 6-cell battery you get extra power and increase your uptime.**
